"===== " FILE: autoload/vim-airline/syntax.vim " AUTHOR: Senya Puglisi " PURPOSE: Add custom colors to syntax checking " " Modifications: " 2012-05-23: Senya Puglisi " Context highlighting is broken in terms of indenting. " " For example, the context for the HTML5 heading highlight " with Markdown problems: " :call airline#highlighters#markdown#context() " :call airline#highlighters#html5#context() " The above technique works but it doesn't color the whole line " properly. " " The issues is that the first line of the heading is colored " differently than the context for the second line, which is " colored properly. " " I fixed it by also giving the first line of the heading the " same color as the context for the other lines of the head " ing. " " But it caused some other problems. " " After fixing the above issues, the `vim-
